

Pin, Spool & Strain Insulators

PIN, SPOOL, STRAIN INSULATORS

TE Energy rounds out the insulator offering to include spool, pin and strain insulators.

TE's porcelain insulators were sold in the past with brand names of Morlynn, Dulmison and Zibo, and have 95 years of service experience in electric power supply and rail applications. Manufactured from high-quality non-porous electrical porcelain, they provide long life and cost-effective solutions for a majority of applications.

Contact your TE Energy sales representative for more information and for other applications not found in this brochure.

PORCELAIN PIN TYPE INSULATORS
